Career Objective

   As a motivated BTech Computer Science (AI & ML) student, I am passionate about developing intelligent applications, creating innovative, efficient and data-driven solutions. Seeking opportunities to upskill my technical expertise and contribute to dynamic team environment for development and management.

Education

Name of the Institution	Degree	Board	Year of passing	Percentage of Marks
Brainware University	B.Tech	BWU	2026	84.56% (till now)
Amarpur B. A. Institution	12th	WBCHSE	2022	81.60%
Amarpur B. A. Institution	10th	WBBSE	2020	78.57%

Technical Skills

- **Programming Languages** – C, Python
- **Framework** – Django
- **Frontend** – HTML, CSS
- **Database** – SQL, MySQL, PostgreSQL
- **Tools** – DSA, Git, Github, VS Code

Academic Projects

- **ApexSky – Project Management | Link | GitHub**   **Mar'25-Present**

   The goal is to create a user-friendly web-application that allows users to manage their projects, projects details, collaborations etc. in one platform and showcase to others as per their needs. (*Still working*)
   Technologies – Html, CSS, Bootstrap, Python, Django, PostgreSQL

- **AI-Based Animal Classifier | Link | GitHub**   **Mar-Apr'25**

   Implements a deep learning-based classifier to distinguish between cats and dogs. Users can upload images for instant classification result.
   Technologies – Deep Learning, Python, Streamlit library (Interface).

- **To-Do-X – Task Management | Link | GitHub**   **Feb-Mar'25**

   A user-friendly task scheduling web application, where user can create, complete, track their progress.
   Technologies – Html, CSS, Bootstrap, Python, Django, SQLite3

Trainings & Workshops

- 10-day Intel Industrial training on AIML & Certification by INTEL (by Ed Gate   **Jan-Feb'25**
  Technology) **| Certificate**

- 5-day workshop on Emerging-Trends **| Certificate**   **Aug'24**

Achievements

- **Branio-Synergy** –Winner (1st place) among 21 teams in Tech-Quiz & got an Excellence Certificate — **May'24**
- **TATA Crucible Campus Quiz** – Tech-Quiz, organized in Unstop Platform **| [Certificate](#)** — **Sept'24**
- **Xiaomi Ode2Code 3.0** – Virtual Hackathon, organized in Unstop Platform **| [Certificate](#)** — **Sept'24**

Extra-curricular Activities

- Share nature photography & videography on Instagram and YouTube

Languages Known

Language	Read	Write	Speak
English	Yes	Yes	Yes
Hindi	No	No	Yes
Bengali	Yes	Yes	Yes

Hobbies

- Playing games
- Watching movies & animes
- Photography & videography of nature
